The screenshot shows a recruiter profile page on the UTalkMarketing.com website. At the top left is the UTalkMarketing.com logo. To its right is a banner image of two women with the text "TV is now a window to your soul." Below the banner is a navigation menu with links: News, Creative Showcase, Case Studies, How To Guides, Research, Marketing Answers, Career Advice, Agency Profiles, Recruiter Profiles, and Jobs. On the left side, there is a search bar with "SEARCH" and "ADVANCED SEARCH" buttons, and a "LOGIN | REGISTER" button. Below that is a "MARKETING SPECIALITY" menu with options: ONLINE, DIRECT, ADVERTISING, DIGITAL, POS, EVENT, SP, MEDIA, RESEARCH, CRM, and STRATEGY. At the bottom left is a "BUSINESS SECTOR" menu. The main content area is titled "RECRUITER INFO" and "PURPLE". Under "PURPLE", there is a "Company Overview" section with text: "At Purple we've learned to listen to, develop and trust our instincts. It doesn't mean that we don't cover the bases, do all the research, make the checks, and conduct in-depth interviews: we've been doing all that and more since 2000. But by paying attention to our instincts, rather than just ticking the boxes, we've developed an uncanny ability to match candidates with a role and environment in which they'll flourish and make a difference." Below this is another paragraph: "It makes us very popular with clients, because they know we only recommend people with something special to offer (rather than throwing dozens of candidates at them in the hope that sooner or later one will stick)." A third paragraph follows: "And it makes us popular with candidates, because it enables us to spotlight their strengths, show them how to bring them to life at interview, and help them find the jobs which will give them invigorating futures." Below the overview is a "What we are looking for" section with the text: "We've never been busier than we are right now, so the best way to get our attention is to". To the right of the overview is a large "PURPLE" logo. At the bottom right is a "Contact Information" section with an address: "123 Smith Street, London SE1 3ER" and a phone number: "020 7300 7333".
